

Daily Scrum Meeting Minutes 8 (Sprint 3)

Attendees: Alejandro Perez, Ahanaf Akif, Josue Gamon Fortes, Allen Cruz

Start time: 5:01 PM

End time: 5:28 PM

Alejandro Perez

- How many hours did I work since the last meeting?
 - 2 hours
- What was done since the last scrum meeting?
 - Continued refining architecture documentation and reviewed how system architecture, workflow diagrams, and component planning documents relate to one another. Also reviewed Sprint 3 priorities to ensure project artifacts remain aligned with the MVP roadmap.
- What is planned to be done until the next scrum meeting?
 - Continue refining architecture planning and review remaining Sprint 3 documentation items in preparation for the sprint closeout activities.
- What are the hurdles?
 - Still ensuring that all planning artifacts remain consistent and properly connected across the project documentation.

Ahanaf Akif

- How many hours did I work since the last meeting?
 - 2 hours

- What was done since the last scrum meeting?
 - Continued refining database planning documentation and reviewed how future analytics, reporting, and progress tracking features may interact with the current data model.
- What is planned to be done until the next scrum meeting?
 - Continue reviewing database documentation and verify that current entity relationships support the MVP requirements.
- What are the hurdles?
 - Still evaluating how future feature expansion could affect the current database structure and documentation.

Josue Gamon Fortes

- How many hours did I work since the last meeting?
 - 1.5 hours
- What was done since the last scrum meeting?
 - Continued refining wireframes and reviewed additional user flow scenarios related to goal tracking, progress monitoring, and dashboard navigation.
- What is planned to be done until the next scrum meeting?
 - Continue improving wireframes and review final adjustments needed for current Sprint 3 design artifacts.
- What are the hurdles?
 - Trying to maintain consistency between all planned screens while supporting future application growth.

Allen Cruz

- How many hours did I work since the last meeting?
 - 1.5 hours

- What was done since the last scrum meeting?
 - Continued reviewing component planning documentation and discussed how planned modules will support future implementation activities and project organization.

- What is planned to be done until the next scrum meeting?
 - Continue organizing component documentation and review how current planning artifacts support future development planning.

- What are the hurdles?
 - Still determining how detailed component planning documentation should become while keeping documentation easy to update and maintain throughout future sprints.
