

Daily Scrum Meeting Minutes 10 (Sprint 3)

Attendees: Alejandro Perez, Ahanaf Akif, Josue Gamon Fortes, Allen Cruz

Start time: 5:01 PM

End time: 5:32 PM

Alejandro Perez

- How many hours did I work since the last meeting?
 - 2 hours
- What was done since the last scrum meeting?
 - Reviewed the remaining Sprint 3 planning artifacts and discussed readiness for the Sprint Review meeting. Also reviewed architecture documentation, implementation planning notes, and project documentation to ensure consistency across all deliverables.
- What is planned to be done until the next scrum meeting?
 - Prepare Sprint 3 deliverables for presentation during the Sprint Review meeting and review completed user stories with the team.
- What are the hurdles?
 - Still ensuring that all planning artifacts and documentation remain aligned with the MVP scope and future project goals.

Ahanaf Akif

- How many hours did I work since the last meeting?
 - 2 hours

- What was done since the last scrum meeting?
 - Reviewed database planning documentation and verified that entity relationships and data structures remain consistent with the requirements discussed throughout Sprint 3.
- What is planned to be done until the next scrum meeting?
 - Prepare Sprint 3 database planning artifacts for review and discuss any future refinements that may be needed in upcoming sprints.
- What are the hurdles?
 - Still evaluating how future analytics and reporting features may affect long-term database planning decisions.

Josue Gamon Fortes

- How many hours did I work since the last meeting?
 - 1.5 hours
- What was done since the last scrum meeting?
 - Reviewed wireframes and workflow documentation completed during Sprint 3 and discussed final refinements with the team before the sprint review.
- What is planned to be done until the next scrum meeting?
 - Prepare Sprint 3 design artifacts for presentation and review possible future improvements for upcoming sprints.
- What are the hurdles?
 - Trying to ensure all planned interfaces remain consistent and scalable as future features continue to be discussed.

Allen Cruz

- How many hours did I work since the last meeting?
 - 1.5 hours

- What was done since the last scrum meeting?
 - Reviewed component planning documentation and project organization artifacts completed during Sprint 3. Also discussed how current planning materials will support future development activities.

- What is planned to be done until the next scrum meeting?
 - Prepare Sprint 3 planning artifacts for review and participate in Sprint Review and Sprint Retrospective discussions.

- What are the hurdles?
 - Still reviewing how documentation can remain organized and maintainable as additional project requirements are introduced in future sprints.
