

Daily Scrum Meeting Minutes 1 (Sprint 3)

Attendees: Alejandro Perez, Ahanaf Akif, Josue Gamon Fortes, Allen Cruz

Start time: 5:00 PM

End time: 5:25 PM

Alejandro Perez

- How many hours did I work since the last meeting?
 - 2 hours

- What was done since the last scrum meeting?
 - Reviewed the Sprint 3 user stories and organized priorities for the new sprint. Also reviewed the architecture documentation completed during Sprint 2 and identified areas that require additional refinement and clarification.

- What is planned to be done until the next scrum meeting?
 - Continue refining architecture documentation and begin outlining a more detailed implementation roadmap for the MVP features.

- What are the hurdles?
 - Still determining how much detail should be included in architecture documentation while keeping the project scope manageable.

Ahanaf Akif

- How many hours did I work since the last meeting?
 - 2 hours

- What was done since the last scrum meeting?
 - Reviewed the database planning documentation from Sprint 2 and discussed possible improvements to entity relationships and future scalability considerations.
- What is planned to be done until the next scrum meeting?
 - Continue refining database planning documentation and review how planned features interact with the current data model.
- What are the hurdles?
 - Still evaluating the best way to organize certain fitness tracking and progress-related data structures.

Josue Gamon Fortes

- How many hours did I work since the last meeting?
 - 1.5 hours
- What was done since the last scrum meeting?
 - Reviewed existing wireframes and workflow diagrams and discussed areas where user navigation and page organization could be further improved.
- What is planned to be done until the next scrum meeting?
 - Continue refining dashboard, workout tracking, and nutrition tracking wireframes and review additional user journey scenarios.
- What are the hurdles?
 - Trying to maintain a simple and consistent user experience while supporting future planned functionality.

Allen Cruz

- How many hours did I work since the last meeting?
 - 1.5 hours

- What was done since the last scrum meeting?
 - Reviewed project documentation and discussed how component planning and architecture documentation can be expanded during Sprint 3.

- What is planned to be done until the next scrum meeting?
 - Continue organizing documentation and begin reviewing how major application modules will be represented in future planning artifacts.

- What are the hurdles?
 - Still determining the most effective way to organize component-level documentation while keeping it clear and easy to maintain.
