

Daily Scrum Meeting Minutes 4 (Sprint 2)

Attendees: Alejandro Perez, Ahanaf Akif, Josue Gamon Fortes, Allen Cruz

Start time: 4:59 PM

End time: 5:25 PM

Alejandro Perez

- How many hours did I work since the last meeting?
 - 2 hours
- What was done since the last scrum meeting?
 - Continued refining architecture planning and reviewed several possible workflow paths that should be represented in future system diagrams. Also discussed how Sprint 2 deliverables align with the overall project roadmap and future implementation goals.
- What is planned to be done until the next scrum meeting?
 - Continue organizing architecture documentation and begin drafting a higher-level view of how major application components will interact with one another.
- What are the hurdles?
 - Still deciding how much detail should be included in the initial architecture diagrams while keeping them easy to understand and maintain.

Ahanaf Akif

- How many hours did I work since the last meeting?
 - 1.5 hours
- What was done since the last scrum meeting?
 - Continued refining authentication requirements and reviewed potential account workflows such as registration, login, logout, and profile management.
- What is planned to be done until the next scrum meeting?
 - Continue documenting authentication requirements and begin organizing acceptance criteria for future authentication-related user stories.
- What are the hurdles?

- Still determining which authentication features should be prioritized for the MVP versus future versions of the application.

Josue Gamon Fortes

- How many hours did I work since the last meeting?
 - 1.5 hours
- What was done since the last scrum meeting?
 - Continued refining wireframe layouts and reviewed how users would navigate between workout tracking, nutrition tracking, goal management, and profile sections.
- What is planned to be done until the next scrum meeting?
 - Continue improving wireframe organization and begin refining layouts for progress tracking and analytics-related pages.
- What are the hurdles?
 - Trying to keep the user experience simple and intuitive while supporting the project's planned functionality.

Allen Cruz

- How many hours did I work since the last meeting?
 - 1.5 hours
- What was done since the last scrum meeting?
 - Continued reviewing workflow documentation ideas and discussed how user stories and planned features can be represented within future workflow diagrams.
- What is planned to be done until the next scrum meeting?
 - Continue helping organize workflow documentation and review how future diagrams will support project planning and communication.
- What are the hurdles?
 - Still evaluating the best way to represent workflows clearly without creating unnecessary complexity in the documentation.
