

Daily Scrum Meeting Minutes 1 (Sprint 2)

Attendees: Alejandro Perez, Ahanaf Akif, Josue Gamon Fortes, Allen Cruz

Start time: 5:00 PM

End time: 5:28 PM

Alejandro Perez

- How many hours did I work since the last meeting?
 - 2 hours
- What was done since the last scrum meeting?
 - Reviewed the Sprint 2 user stories and organized priorities for the upcoming sprint. Also began outlining ideas for the system architecture diagram and reviewed the documentation structure created during Sprint 1.
- What is planned to be done until the next scrum meeting?
 - Continue organizing architecture diagram components and begin identifying how major application features will interact with each other.
- What are the hurdles?
 - Still refining which components should be included in the MVP architecture versus future versions of the application.

Ahanaf Akif

- How many hours did I work since the last meeting?
 - 2 hours
- What was done since the last scrum meeting?
 - Reviewed authentication requirements from Sprint 1 and continued discussing user account functionality and database planning requirements.
- What is planned to be done until the next scrum meeting?
 - Continue refining authentication documentation and begin organizing ideas for user account data relationships.
- What are the hurdles?
 - Still deciding which user profile fields are necessary for the MVP and which can be deferred to future sprints.

Josue Gamon Fortes

- How many hours did I work since the last meeting?
 - 1.5 hours
- What was done since the last scrum meeting?
 - Reviewed existing wireframe concepts and discussed improvements to dashboard navigation and user workflow organization.
- What is planned to be done until the next scrum meeting?
 - Continue refining dashboard, profile, and navigation wireframes and begin organizing more detailed user flows.
- What are the hurdles?
 - Trying to maintain a clean user experience while supporting all planned MVP functionality.

Allen Cruz

- How many hours did I work since the last meeting?
 - 1.5 hours
- What was done since the last scrum meeting?
 - Reviewed Sprint 2 planning items and discussed how future documentation and workflow diagrams should be organized throughout the project.
- What is planned to be done until the next scrum meeting?
 - Continue helping organize documentation and review workflow diagram requirements with the team.
- What are the hurdles?
 - Still determining the best level of detail for workflow documentation while keeping the diagrams easy to understand.
