

Daily Scrum Meeting Minutes 9 (Sprint 2)

Attendees: Alejandro Perez, Ahanaf Akif, Josue Gamon Fortes, Allen Cruz

Start time: 4:59 PM

End time: 5:28 PM

Alejandro Perez

- How many hours did I work since the last meeting?
 - 2 hours
- What was done since the last scrum meeting?
 - Continued reviewing architecture planning and discussed how future diagrams should represent user interactions, application components, and data flow. Also reviewed Sprint 2 documentation to ensure all major planning artifacts remain aligned with the current MVP scope.
- What is planned to be done until the next scrum meeting?
 - Continue refining architecture documentation and review remaining Sprint 2 planning items in preparation for the sprint review meeting.
- What are the hurdles?
 - Still determining the best way to represent system interactions without making architecture diagrams overly detailed.

Ahanaf Akif

- How many hours did I work since the last meeting?
 - 2 hours
- What was done since the last scrum meeting?
 - Continued refining authentication documentation and reviewed possible relationships between user accounts, goals, and future progress tracking features.
- What is planned to be done until the next scrum meeting?
 - Continue organizing authentication requirements and review any remaining account-related user stories scheduled for Sprint 2.

- What are the hurdles?
 - Still discussing how much user profile information should be included in the MVP while keeping account management simple.

Josue Gamon Fortes

- How many hours did I work since the last meeting?
 - 1.5 hours
- What was done since the last scrum meeting?
 - Continued refining wireframes and reviewed consistency between dashboard, profile, goal tracking, and progress tracking layouts. Also discussed user navigation improvements with the team.
- What is planned to be done until the next scrum meeting?
 - Continue refining wireframe organization and review final Sprint 2 design artifacts before the sprint review meeting.
- What are the hurdles?
 - Trying to maintain consistency across all planned screens while keeping navigation straightforward and user friendly.

Allen Cruz

- How many hours did I work since the last meeting?
 - 1.5 hours
- What was done since the last scrum meeting?
 - Continued reviewing workflow documentation and discussed how future architecture diagrams, workflow diagrams, and project documentation should support future development activities.
- What is planned to be done until the next scrum meeting?
 - Continue helping organize documentation and review Sprint 2 planning artifacts before the sprint review meeting.
- What are the hurdles?
 - Still evaluating how much detail should be included in workflow documentation while keeping diagrams easy to maintain and understand.
