

Daily Scrum Meeting Minutes 2 (Sprint 2)

Attendees: Alejandro Perez, Ahanaf Akif, Josue Gamon Fortes, Allen Cruz

Start time: 4:58 PM

End time: 5:23 PM

Alejandro Perez

- How many hours did I work since the last meeting?
 - 2 hours
- What was done since the last scrum meeting?
 - Continued reviewing the planned system architecture and identified several major components that should be included in future architecture diagrams. Also reviewed Sprint 2 backlog items and discussed priorities with the team.
- What is planned to be done until the next scrum meeting?
 - Continue refining architecture concepts and begin organizing how frontend, backend, and database interactions should be represented in future diagrams.
- What are the hurdles?
 - Still evaluating how detailed the initial architecture documentation should be without overcomplicating the MVP.

Ahanaf Akif

- How many hours did I work since the last meeting?
 - 2 hours
- What was done since the last scrum meeting?
 - Continued refining authentication documentation and reviewed possible user account information that may be stored within the system.
- What is planned to be done until the next scrum meeting?
 - Continue organizing authentication requirements and begin outlining relationships between user accounts and fitness tracking data.
- What are the hurdles?
 - Still discussing which account management features should be included in the MVP and which should be postponed.

Josue Gamon Fortes

- How many hours did I work since the last meeting?
 - 1.5 hours
- What was done since the last scrum meeting?
 - Continued improving dashboard and navigation wireframes and discussed how users would move between major sections of the application.
- What is planned to be done until the next scrum meeting?
 - Continue refining user workflows and organize additional wireframe ideas for profile and goal tracking pages.
- What are the hurdles?
 - Trying to maintain consistency across all planned pages while keeping navigation simple and intuitive.

Allen Cruz

- How many hours did I work since the last meeting?
 - 1.5 hours
- What was done since the last scrum meeting?
 - Continued reviewing workflow documentation ideas and discussed how future diagrams can better represent application processes and feature interactions.
- What is planned to be done until the next scrum meeting?
 - Help organize workflow documentation and continue reviewing how planned features connect throughout the application.
- What are the hurdles?
 - Still determining the best way to represent application workflows while keeping documentation easy to understand and maintain.
