

Daily Scrum Meeting Minutes 6 (Sprint 2)

Attendees: Alejandro Perez, Ahanaf Akif, Josue Gamon Fortes, Allen Cruz

Start time: 5:02 PM

End time: 5:30 PM

Alejandro Perez

- How many hours did I work since the last meeting?
 - 2 hours
- What was done since the last scrum meeting?
 - Reviewed the backlog grooming refinements with the team and updated several user stories with additional acceptance criteria and contextual information. Also continued discussing how architecture and workflow diagrams should be organized for future project deliverables.
- What is planned to be done until the next scrum meeting?
 - Continue refining architecture documentation and begin outlining the major workflows that will be included in future diagrams.
- What are the hurdles?
 - Still working to keep the MVP focused while ensuring the architecture documentation covers all major planned features.

Ahanaf Akif

- How many hours did I work since the last meeting?
 - 2 hours
- What was done since the last scrum meeting?
 - Reviewed authentication-related user stories and refined account management requirements based on the backlog grooming discussions.
- What is planned to be done until the next scrum meeting?
 - Continue organizing authentication documentation and review how user account information will connect with future fitness tracking features.

- What are the hurdles?
 - Still determining which account management features should remain part of the MVP and which should be moved to future phases.

Josue Gamon Fortes

- How many hours did I work since the last meeting?
 - 1.5 hours
- What was done since the last scrum meeting?
 - Reviewed wireframe feedback from the backlog grooming meeting and continued refining dashboard, profile, and navigation layouts.
- What is planned to be done until the next scrum meeting?
 - Continue improving wireframes and review how planned workflows align with the current page layouts.
- What are the hurdles?
 - Trying to maintain consistency between all planned pages while still keeping the design simple and user friendly.

Allen Cruz

- How many hours did I work since the last meeting?
 - 1.5 hours
- What was done since the last scrum meeting?
 - Reviewed workflow planning discussions and helped organize documentation updates related to architecture and future project deliverables.
- What is planned to be done until the next scrum meeting?
 - Continue helping organize workflow documentation and review how future diagrams will support project planning activities.
- What are the hurdles?
 - Still evaluating how much detail should be included in workflow documentation without making diagrams overly complicated.
