

Daily Scrum Meeting Minutes 8 (Sprint 2)

Attendees: Alejandro Perez, Ahanaf Akif, Josue Gamon Fortes, Allen Cruz

Start time: 4:57 PM

End time: 5:23 PM

Alejandro Perez

- How many hours did I work since the last meeting?
 - 1.5 hours
- What was done since the last scrum meeting?
 - Continued reviewing architecture planning and organized additional notes regarding how major application components will interact within the system. Also reviewed project documentation to ensure Sprint 2 deliverables remain aligned with the MVP scope.
- What is planned to be done until the next scrum meeting?
 - Continue refining architecture documentation and review how workflow diagrams and system diagrams will complement one another in future deliverables.
- What are the hurdles?
 - Still determining the appropriate balance between diagram detail and overall simplicity for the MVP.

Ahanaf Akif

- How many hours did I work since the last meeting?
 - 2 hours
- What was done since the last scrum meeting?
 - Continued refining authentication documentation and reviewed additional user account requirements that may be needed for future fitness tracking and profile features.
- What is planned to be done until the next scrum meeting?
 - Continue organizing authentication requirements and review how account information will interact with future application modules.

- What are the hurdles?
 - Still discussing which account-related features should be prioritized for the MVP and which can be deferred to later phases.

Josue Gamon Fortes

- How many hours did I work since the last meeting?
 - 1.5 hours
- What was done since the last scrum meeting?
 - Continued refining wireframe layouts and reviewed possible designs for progress tracking and analytics-related pages. Also discussed consistency between dashboard and profile page layouts.
- What is planned to be done until the next scrum meeting?
 - Continue improving wireframes and organize additional user flow concepts that support the planned MVP functionality.
- What are the hurdles?
 - Trying to maintain a consistent visual structure while accommodating future planned features and workflows.

Allen Cruz

- How many hours did I work since the last meeting?
 - 1.5 hours
- What was done since the last scrum meeting?
 - Continued reviewing workflow documentation and discussed how architecture diagrams and workflow diagrams should work together to support future development planning.
- What is planned to be done until the next scrum meeting?
 - Continue helping organize project documentation and review how future diagrams will support communication between team members.
- What are the hurdles?
 - Still evaluating the best way to structure documentation so that it remains clear and useful throughout future sprints.
