

Daily Scrum Meeting Minutes 6 (Sprint 3)

Attendees: Alejandro Perez, Ahanaf Akif, Josue Gamon Fortes, Allen Cruz

Start time: 5:01 PM

End time: 6:03 PM

Alejandro Perez

- How many hours did I work since the last meeting?
 - 2 hours
- What was done since the last scrum meeting?
 - Reviewed the backlog grooming preparation items and continued refining architecture documentation. Also discussed how future implementation planning can be organized using the existing system architecture and workflow artifacts.
- What is planned to be done until the next scrum meeting?
 - Continue refining architecture documentation and review how current planning artifacts support future implementation activities.
- What are the hurdles?
 - Still ensuring that architecture documentation remains detailed enough for future development while staying focused on MVP requirements.

Ahanaf Akif

- How many hours did I work since the last meeting?
 - 2 hours

- What was done since the last scrum meeting?
 - Continued refining database planning documentation and reviewed additional relationships between fitness tracking data, user goals, and progress monitoring features.
- What is planned to be done until the next scrum meeting?
 - Continue reviewing database planning artifacts and organize documentation updates based on recent Sprint 3 discussions.
- What are the hurdles?
 - Still evaluating how future analytics features may impact the current database structure.

Josue Gamon Fortes

- How many hours did I work since the last meeting?
 - 1.5 hours
- What was done since the last scrum meeting?
 - Continued refining wireframes and reviewed how planned user workflows align with the current dashboard and navigation structure.
- What is planned to be done until the next scrum meeting?
 - Continue improving wireframe consistency and review additional user journey scenarios for future MVP features.
- What are the hurdles?
 - Trying to maintain a simple user experience while ensuring future planned features can be incorporated into the design.

Allen Cruz

- How many hours did I work since the last meeting?
 - 1.5 hours

- What was done since the last scrum meeting?
 - Continued reviewing component planning documentation and discussed how application modules can be organized to support future implementation planning.

- What is planned to be done until the next scrum meeting?
 - Continue organizing component documentation and review how module interactions should be represented in future project artifacts.

- What are the hurdles?
 - Still determining the most effective level of detail for component planning documentation while keeping it easy to maintain and update.
