

Daily Scrum Meeting Minutes 1 (Sprint 4)

Attendees: Alejandro Perez, Ahanaf Akif, Josue Gamon Fortes, Allen Cruz

Start time: 5:01 PM

End time: 5:26 PM

Alejandro Perez

- How many hours did I work since the last meeting?
 - 2 hours

- What was done since the last scrum meeting?
 - Reviewed the Sprint 4 user stories and organized priorities for the new sprint. Also reviewed the architecture and implementation planning artifacts completed during Sprint 3 to identify the remaining refinements needed before final project deliverables.

- What is planned to be done until the next scrum meeting?
 - Continue refining architecture documentation and implementation planning while reviewing overall project organization.

- What are the hurdles?
 - Still ensuring all documentation remains consistent as project artifacts become more detailed.

Ahanaf Akif

- How many hours did I work since the last meeting?
 - 2 hours

- What was done since the last scrum meeting?
 - Reviewed API planning documentation and discussed how frontend and backend components will interact within the planned MVP architecture.
- What is planned to be done until the next scrum meeting?
 - Continue refining API planning documentation and review integration points between major application components.
- What are the hurdles?
 - Still evaluating the simplest API structure that supports all planned MVP functionality.

Josue Gamon Fortes

- How many hours did I work since the last meeting?
 - 1.5 hours
- What was done since the last scrum meeting?
 - Reviewed workflow diagrams and wireframes completed during Sprint 3 and discussed additional refinements for the dashboard, workout tracking, nutrition tracking, and profile pages.
- What is planned to be done until the next scrum meeting?
 - Continue refining high-fidelity wireframes and review user navigation consistency across the application.
- What are the hurdles?
 - Trying to improve the visual consistency of the interface while maintaining a simple and intuitive user experience.

Allen Cruz

- How many hours did I work since the last meeting?
 - 1.5 hours

- What was done since the last scrum meeting?
 - Reviewed project documentation and discussed how the remaining planning artifacts should be organized for the final project deliverables.

- What is planned to be done until the next scrum meeting?
 - Continue organizing documentation and review project artifacts to ensure consistency across all deliverables.

- What are the hurdles?
 - Still reviewing documentation organization to ensure all project materials remain easy to understand and maintain.
